4-11 June

Dragon Press Bindery
Carmarthenshire, Wales

Book Camp summer intensive offers four consecutive two-day classes for anyone working in the various fields of book arts and conservation who is keen to learn more about bookbinding and related skills in an immersive environment.

Tuition will be by the founders in this bindery set deep in the beautiful West Wales countryside. You are welcome to camp in the grounds or book early for accommodation in the house on a first-come/first-served basis, otherwise there are many local B&Bs.

The programme

Roman Wax Tablet - Michael Burke
Introduction to Letterpress Printing - Philippa Räder
All-in-One Clamshell Box - Dominic Riley
Full Leather Binding - Dieter Räder

Enrollment is flexible: while we encourage registering for the whole event, you can join any one or more individual classes.

We will share meals and enjoy informal presentations and discussions in the evenings followed by time around the campfire.

Fees include tuition, materials, hand-outs and meals.
Camping is free of charge.

We look forward to welcoming you in June.
